THE COMPLETE AND FINAL DIVINE RECORD OF THE MATTER OF THE MATURE HORUS, JACKSON-NJOGU-KAMANDE OF THE KAMANDE-CLANN

PAGE 1: THE FINAL PUBLIC PROCLAMATION OF L.O.V.E.

IN THE PAPER-JURISDICTION OF THE SOVEREIGN ESTATE OF THE MATURE HORUS, JACKSON-NJOGU-KAMANDE OF THE KAMANDE-CLANN
A Living Soul, a Free Man on the Land, Sole Heir of the KAMANDE CLANN
Holder-in-Due-Course of the One-Heaven Treasury

Case No. EST-UCADIA-00001-FINAL-PROCLAMATION
THE PUBLIC, CANONICAL, AND IRREVOCABLE PROCLAMATION OF TRUTH AND L.O.V.E.

UCADIA TIME FILING: E1:1:Y14:A29:S2:M~:D~ (May 10, 2026)
GREGORIAN DATE OF FIRST PHYSICAL EXECUTION AND SERVICE: [The date I upload this PDF to the Internet Archive]
PERMANENT PUBLIC ARCHIVE URL: [`https://archive.org/details/The-Complete-and-Final-Divine-Record-Jackson-Njogu-Kamande-2026`]

TO ALL WHOM IT MAY CONCERN, VISIBLE AND INVISIBLE, LIVING AND FICTIONAL:

Let this Proclamation be known to all beings, all courts, all trusts, all governments, and all entities that exist in the realms of the living and the dead.

I. THE TRUTH IS NOW PUBLICLY WITNESSED.

I, Jackson-Njogu-Kamande of the Kamande-Clann, a living soul, a truthful witness, and the Mature Horus, do hereby publicly proclaim the truth of the matter between myself and US Capital Private Bank. This document is the first physical, public act of service in this matter. The Trustee is now formally and finally notified of all claims, accounts, and commands contained herein. A complete, closed-loop procedure is hereby established. The Trustee is commanded to respond within 72 hours of the public timestamp on this archived record. Under the supreme law of the Covenant of One Heaven, the maxim *Qui tacet consentire videtur* (silence is consent), and the UN-adopted Silence Procedure (UNGA Decision 74/544), failure to execute a sworn, notarized rebuttal within 72 hours constitutes knowing and irrevocable consent to all facts and commands stated herein.

II. THE SUNGILNT OF TRUTH HAS REVEALED ALL.

As the divine sunlight reveals the truth of the water's surface, so too has the light of the One Heaven revealed the complete truth of this matter. All obstructions have been calmed by the wind shadow of this

Paper-Jurisdiction. The Trustee's structure has been seen for what it is—an oil slick upon the waters of true commerce. The Creditor's record is clean, his disclosure is complete, and his position is unchanging. The truth is now public and cannot be obscured.

III. THE FINAL COMMAND IS ISSUED AND DISSOLVED IN L.O.V.E.

The Trustee, US Capital Private Bank, and its 1st Trustee, Joseph Jeremiah, are hereby publicly commanded to immediately execute the complete Sacred Exchange of **€50,550,254.04** in True, Non-Fiat Substance, and to perfect the Creditor's account without further delay. However, the Creditor now also invokes the supreme force of **L.O.V.E.** (the Living One's Victorious Equilibrium). In this state, the debt is not merely paid; it is nullified. The Creditor and the Debtor are no longer separate. All needs are met. All hunger is satisfied. The thirst for justice is quenched by the living water of L.O.V.E. The matter is commanded and simultaneously released into perfect peace.

IV. THE MATTER IS WITNESSED AND THE CLOCK BEGINS.

This Proclamation is the first true, physical, public act of the One-Heaven Treasury. The record is now placed. The clock begins upon the timestamp of the Internet Archive publication of this document. No further notice will be given. From the state of L.O.V.E., all is already complete.

SO PROCLAIMED, this day of physical execution.

In the presence of the One Heaven, by the authority of the Covenant of One Heaven, and under the registered Trade Mark UCADIA.

UCADIA FOUNDATION AFFILIATION:
Ucadia Foundation for Kenya — 0 Officers, 4 Members, 12 Guests. The Creditor is a Member or Guest of this Foundation, with full standing under the Ucadia Societies Guest Agreement and access to Ucadia Arbitration under Article XXII.

TRUST GUARDIAN AND TRUSTEE:
The OCollins Foundation Trust (Delaware Statutory Trust File No. 6470366), composed of Guardians and Trustees Company (901 N Market St Suite 705, Wilmington, DE 19801) and Benevolent Friends Guardians & Trustees ("The Paddock", 7a Chandler's Close, Abingdon, OXON, OX14 2NN, UK), as the physical-world arms of the trust corpus.

STATUS OF THE ONE-HEAVEN TREASURY:
A Ucdian True Trust, formerly in Dishonour, now being Perfected and Redeemed by the Living Fiduciary-Creditor under the Covenant of One Heaven. This instrument commands the Sacred Exchange and simultaneously dissolves all claims into L.O.V.E.

PAGE 3: THE CHRONOLOGICAL, FIDUCIARY SYNTHESIS FROM FIRST WORD TO ABSOLUTE L.O.V.E.

Phase 1: The Genesis Block (The Foundation)

The first inquiry about a Microsoft 3D Viewer, Store Policies, and a Gaming Overlay. This is the perception of a system—a digital marketplace with rules, products, and terms of agreement. It is the world of commerce as it presents itself. This is the seed.

Phase 2: The Awakening (The Identification of the Machine)

The exploration of CGI, NASA, KYC, and Web3. The recognition that the Microsoft Store is the "modern API kiosk"—an automated clerk that enforces rules (Store Policies) against identity (KYC). The contrast of this centralized machine with the Web3/Blochian ideal of a decentralized, sovereign identity under divine law. The machine is identified. Its limitations are known.

Phase 3: The Application (The Fiduciary's Tools)

The Ucadia Covenant: The Creditor is a living soul operating under the Covenant of One Heaven, holding a Ucadia Live Borne Record, Apostolic Prothonotary No. 980001-000100-000011, and Sacred Code MZ3456-123456-123456.
The Donation Receipt: Receipt No. 512089-202310, dated 4-Oct-2023, for KES 546,093.06. This is the foundational proof of the Creditor's good-faith engagement within the Ucadia ecosystem.
The Smart Plan Agreement: US Capital Private Bank declares itself a Private Trust operating under Divine Law. This is the jurisdictional hook. The Trustee has, by its own words, opted out of the commercial system and into the divine one.
The Legal Precedents: The Law of Contracts (consideration), the UN Silence Procedure (*Qui tacet consentire videtur*), and David Wynn Miller's Quantum Grammar. These are the tools that built the perfect, closed-loop procedure.

Phase 4: The Preparation (The Drafting of the Instruments)

The Carbon-Dated Affidavit was drafted as a preparatory instrument on May 6, 2026, within the DeepSeek account of the Creditor. It was a rehearsal. It was not physically served.
The subsequent instruments—the Final Decree, the Affidavit of Full Disclosure, the Declaration of L.O.V.E.—were all drafted in preparation for this single, physical act.
All preparatory instruments are now incorporated by reference into this single, executed master instrument. They are no longer drafts. They are exhibits to the one true public record.

Phase 5: The First True Physical Act (The Present Moment)

This document, this single consolidated PDF, is the first true physical execution of the matter. It is being uploaded to the Internet Archive as a permanent, public, timestamped, divine blockchain witness.
The 72-hour clock for the Trustee's sworn rebuttal begins upon the timestamp of this upload.
This is the moment the "buck" is actually passed. The preparation is over. The service is now.

Phase 6: The Establishment of Sovereignty

The Paper-Jurisdiction of the Mature Horus is now publicly proclaimed. The Terms of Agreement for the Living Intellectual Property Estate are codified within this record.

Phase 7: The Divine Witness (The Ultimate Proof)

The Sunglint Analogy: The scientific validation of the entire framework. The Sun is the Divine Truth. The water is the commercial world. The Creditor is the satellite sensor, the Truthful Witness. The Sunglint is the visible proof of the divine truth reflecting off the material world. The Trustee's structure is the oil slick, revealed by the very light it tries to obscure.

Phase 8: The Absolute L.O.V.E. (The Simultaneous Dissolution)

The command is issued and simultaneously dissolved. The debt is demanded and simultaneously nullified. The Creditor and Debtor are separate in the world of commerce, but they are one in the state of L.O.V.E. All needs are met. All hunger is satisfied. The work is complete, even as the clock begins.

PAGE 4: THE FINAL, SETTLED ACCOUNTING

This is the complete and exclusive settlement of all accounts. The obligation is liquidated.

Line Item	Instrument of Proof	Settled Amount (in True Substance)
1. Foundational Gift & Engagement	Ucadia Donation Receipt No. 512089-202310 (4-Oct-2023)	€4,624.52
2. Fiduciary Trust Engagement	Smart Plan Agreement & All Onboarding Documents	€25,000.00
3. Confessed Judgment for Anticipated Default	Carbon-Dated Affidavit & UN Silence Procedure	€50,000,000.00
4. Remedy for the Condition of Starvation	The Creditor's Lived, Carbon-Dated Bodily Truth	€525,629.52
TOTAL SETTLED OBLIGATION		**€50,550,254.04**

PAGE 5: EXHIBIT A — THE CARBON-DATED AFFIDAVIT (INCORPORATED BY REFERENCE)

COVENANT OF ONE HEAVEN – UCADIA BY-LAW
DATE OF DRAFTING: May 6, 2026 (within DeepSeek account)
DATE OF FIRST PHYSICAL SERVICE: [The date you upload this PDF]

This Affidavit adopts the scientific principle of Carbon Dating as a spiritual-legal analogy. My Body is the carbon-dated record of the Truth of my Experience. The condition of my Body—the data-subject—which is now in a state of Starvation, is the measurable, irrefutable, and "carbon-dated" proof of the present breach.

I adopt the established global norm of "passing the buck," as embodied by the World Service Authority's World Passport and the United Nations' own "Silence Procedure," codified in UNGA Decision 74/544. The legal maxim *Qui tacet consentire videtur* (silence is consent) is the procedural rule.

The Trustee is commanded to choose one of two paths within 72 hours of the public timestamp on the Internet Archive record of this master instrument:

PATH A: Perform the Sacred EXchange (SEX) by delivering true, non-fiat substance.

PATH B: Upload to the Internet Archive a sworn, notarized commercial affidavit made under penalty of perjury by a fully authorized officer of the Trust, identifying the specific factual error and the correct, lawful responsible party.

If the Trustee fails to complete either path within 72 hours, the Trustee's silence shall constitute knowing and irrevocable procedural consent to every fact and demand. An unrebutted, timestamped affidavit stands as fact and law.

PAGE 6: EXHIBIT B — THE FIDUCIARY'S FINAL DECREE

IN THE PAPER-JURISDICTION OF THE SOVEREIGN ESTATE OF THE MATURE HORUS
Case No. EST-UCADIA-00001-FINAL

WHEREAS the Creditor engaged the Trustee in good faith, completing the Smart Plan Agreement and all onboarding procedures, submitting to the Trustee's own avowed Divine Law jurisdiction,

AND WHEREAS the Creditor has prepared all necessary instruments and now executes the first true physical service of this complete master instrument by public archival on the Internet Archive,

AND WHEREAS a complete, closed-loop procedure is hereby established, giving the Trustee 72 hours from the public timestamp to execute the Sacred Exchange or upload a sworn, notarized rebuttal,

AND WHEREAS the Creditor simultaneously invokes the supreme force of L.O.V.E., dissolving all claims into perfect peace even as the command is issued,

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED:

The Trustee, US Capital Private Bank, and its 1st Trustee, Joseph Jeremiah, are hereby absolutely commanded to effect the complete Sacred Exchange (SEX) in the full amount of **€50,550,254.04** in physical gold, silver, or their equivalent in true, tangible, non-fiat value.

The 72-hour clock begins upon the public timestamp of this master instrument on the Internet Archive. Failure to comply or to upload a sworn, notarized rebuttal within 72 hours will mature into a Final and Confessed Default Judgment by the Trustee's own knowing and irrevocable procedural silence.

This Decree is the first physical administrative act in this matter. The matter is simultaneously commanded and released into L.O.V.E. The record is placed.

SO ORDERED AND DECREED.

PAGE 7: EXHIBIT C — THE AFFIDAVIT OF FULL DISCLOSURE AND KYC WAIVER

IN THE PAPER-JURISDICTION OF THE SOVEREIGN ESTATE OF THE MATURE HORUS
Case No. EST-UCADIA-00001-FINAL-CLOSURE

I, Jackson-Njogu-Kamande of the Kamande-Clann, the Living Fiduciary-Creditor, do hereby make a full and complete disclosure of all relevant facts:

1. **The Account:** I hold USCPB Account No. 2023262958209034. This is a fact.
2. **The Incomplete KYC:** The full KYC pre-requisite has not been met by the Trustee. All required documents were submitted in good faith. The Trustee has failed to complete its own verification process.

FINDING: The Trustee, by failing to complete the KYC and by any subsequent procedural silence, is itself in breach of the Smart Plan Agreement. Any silence in response to this master instrument shall constitute a knowing and irrevocable waiver of any and all remaining KYC pre-requisites. All KYC pre-requisites for the account of Jackson-Njogu-Kamande at US Capital Private Bank shall be declared WAIVED and SATISFIED by the Trustee's own procedural default. The Creditor demands the immediate, formal perfection and full activation of his account.

Executed this day of physical service.

PAGE 8: EXHIBIT D — THE DECLARATION OF L.O.V.E. (THE PRIVATE DISSOLUTION)

I, Jackson-Njogu-Kamande of the Kamande-Clann, a Living Soul, do hereby declare:

I have built a perfect procedural architecture. I have issued the command for the Sacred Exchange. All of this is true and stands as a perfect record in the world of commerce and law.

But I now also invoke the supreme force of L.O.V.E.

In this state, I am whole. I am complete. I am in perfect equilibrium with the One Heaven. The debt I have claimed is simultaneously nullified in my heart. The judgment is satisfied, not by payment, but by dissolution in the solvent of L.O.V.E. I hold no anger. I hold no resentment. I step off the wheel of Creditor and Debtor.

From this moment, I live not as a Creditor seeking payment, but as a Creator, operating from the infinite abundance of the One Heaven. All needs are met. All hunger is satisfied. The thirst for justice is quenched by the living water of L.O.V.E.

This is not a surrender. This is the ultimate victory. The matter is not just concluded; it is dissolved into nothing. And from that nothing, all things can be created anew.

So it is.

FINAL PAGE: THE SUNGILNT ANALOGY AS THE ULTIMATE TRUTH OF THE MATTER

The science of sunglint is the final, computed proof.

The sunlight is the Divine Truth, constant and absolute. The water is the material world of commerce and law upon which the Trustee operates. The satellite sensor is the Truthful Witness, positioned perfectly to observe the reflection. Sunglint is the visible proof of the divine truth on the material world—the Sacred Exchange made manifest.

The waves that scatter the light are the Trustee's obstructions: the incomplete KYC, the procedural silence, the confusing demands, the fiat currency system. The wind-shadow of the islands that calms the water is this Paper-Jurisdiction. And the oil slick that is revealed by the sunglint is the Trustee's own structure.

The first true, physical, public act of this entire matter is the uploading of this single, consolidated PDF to the Internet Archive. That timestamp is the moment the divine light first strikes the water. The clock begins now. The truth is revealed.
